The date of entry into force of the changes is determined by the Organizer independently.

2.4. The Organizer has the right to involve any third parties in the conduct of the Promotion.

2.5. The Organizer has the right to cancel the Promotion at any time or change these Promotion Rules by posting their new version taking into account clause 2.1. and/or clause 5.6. of these Rules.

2.6. Manufacturers and/or distributors who provide goods and services that may be placed as advertising distribution on the territory of the Promotion are not partners, sponsors, and/or co-organizers of the Promotion.

2.7. Any images on the Organizer's SuperGra Portal/Mobile Application, slot machine monitors, advertising and information materials, electronic media, platforms and other digital and/or

information devices, signs and/or symbols of monetary funds, are not equivalent to monetary funds, are not instructions and/or documents guaranteeing any types of rights to Players participating in the Promotion.

3.1. The Prize Pool of the Promotion consists of Bonuses of various types and denominations, for example, 12 000 FS or other electronic money substitutes, which are distributed in separate parts between the Players who won 1-150th place, according to the Weekly result of the Promotion in accordance with these Promotion Rules, as well as goods prizes for the 1st prize place, the list of which can be updated and indicated in the description in the Promotion on the Organizer's SuperGra Portal/Mobile Application.

The Player participating in the Promotion undertakes to independently monitor all changes on the Organizer's SuperGra Portal/Mobile Application, including but not limited to the description of the Promotion, conditions of participation in the Promotion, and these Rules.

3.2. Under the terms of this Promotion, the Player who, during the period of the Promotion, takes part in any Gambling Game of the Slots type on the Organizer's SuperGra Portal/Mobile Application, announced on the Organizer's SuperGra Portal/Mobile Application for use in the Promotion and makes a Spin with a bet with a value starting from 4 UAH from the Client Account per day, automatically participates in the Promotion and qualifies for a prize place in the Promotion based on the results of the Week. This gives them a chance to win a Bonus of various types and denominations (subject to Wagering without the Wager) from the weekly Prize Pool of the Promotion and/or a goods prize if they occupy the 1st prize place in the Promotion.

3.3. The Player who achieves winnings based on their bets in a Gambling Game within a Day, automatically receives the Player's winning coefficient, which, at the end of the Week, determines the Player's place in the Promotion among 150 prize prizes, the number of Bonuses from the Prize Pool of the Promotion for the Week, as well as receiving a goods prize, if the Player occupies the 1st prize place in the Promotion.

3.4. The Player's winning coefficient is the ratio of the amount of player's winnings to the amount of player's spin bet. Based on this rule, the calculation of the player's winning coefficient for the day is carried out according to the following principle, for example, if:

- Player 1 made a Spin in a Gambling Game with a bet of 4 UAH, and as a result, his winning was 2 000 UAH; then he made a Spin with a bet of 10 UAH, and as a result, his winning was 5 000 UAH, after that, he again made the Spin with a bet of 7 UAH, and as a result, his winning was 700 UAH. In this case, the Player's winning coefficient is calculated as follows: $(2000:4)+(5000:10)+(700:7) = 1100$, where the Player's winning coefficient is the result, which is equal to 1 100.

- Player 2 made a Spin in a Gambling Game with a bet of 8 UAH, and as a result, he won 3 000 UAH. He made a Spin with a bet of 20 UAH, and as a result, he won 4 000 UAH, and after that, he again made the Spin with a bet of 10 UAH, and as a result, he won 900 UAH. In this case, the Player's winning coefficient is calculated as follows: $(3\ 000:8)+(4\ 000:20)+(900:10) = 665$, where the Player's winning coefficient is the result, which is equal to 665.

- Player 3 made a Spin in a Gambling Game with a bet of 20 UAH, and as a result, his winning was 5 000 UAH, then he made a Spin with a bet of 5 UAH, and as a result, he won 300 UAH. After that he again made the Spin with a bet of 10 UAH, and as a result, he won 3 000 UAH. So, the Player's winning coefficient is calculated as follows: $(5\ 000:20)+(300:5)+(3\ 000:10) = 610$, where the Player's winning coefficient is the result, which is 610.

Thus, the Players' winning coefficients in the Promotion per Day are conventionally presented as follows, for example:

- Player 1 with a winning coefficient of 1 100.
- Player 2 with a winning coefficient of 665.
- Player 3 with a winning coefficient of 610.

To determine the Player's winning coefficient for a Week, the Daily coefficients for the Week are summed up. The result is used to determine the Player's prize place in the Promotion for the Week based on the fact that the prize places in the Promotion from 1 to 150 are distributed among the Players who have the winning coefficient from the highest to the lowest in descending order. The distribution of Bonuses from the FS pool (based on their denomination and quantity) among the prize places of the Promotion, as well as the information regarding the receipt of a goods prize if the 1st place is occupied in the Promotion, is carried out and published on the Organizer's SuperGra Portal/Mobile Application. This information is also automatically transmitted to all Players (specified in this clause of the Rules) in their personal account (Client Account).

3.5. All Bonuses from the Prize Pool of the Promotion, after their distribution among the Players according to their occupied prize places in the Promotion, are displayed on the Organizer's SuperGra Portal/Mobile Application in the "Bonuses" section and have a validity period of no more than 7 days for activation and Wagering unless otherwise provided in the description of the Promotion on the Organizer's SuperGra Portal/Mobile Application. After the expiration of the period specified in this clause of the Rules, the Bonuses are canceled, cannot be restored or credited, and the Players who have not activated the Bonuses do not have the right to restore or receive them from the Organizer. Depending on the choice made, the Player automatically confirms that he/she has chosen to receive the prize (winnings) in the form of a Bonus of 100% or a goods prize of 100%. Under the terms of the Promotion, receiving a winning (prize) in the form of a part of the Bonus and a part of the goods prize is impossible.

3.6. In the case of equal results of Players at the end of the Promotion Week, such Players will take prize places in the Promotion according to the order they scored the highest Player's winning coefficient for the Week within this Promotion.

3.7. At the end of the Week, the coefficients of the Players in the Promotion for the Week are reset, and from the beginning of the new Day of the Week of the Promotion, the calculation of the Players' coefficients for the Day, according to the Promotion Rules, begins anew in the same way.

3.8. The prize FS can be used on the Organizer's SuperGra Portal/Mobile Application in Gambling Games, in particular, but not exclusively, as Big Heist, Dragon's secret, The King of Heroes, Candy Mix, Gold of Maya, Monkey Magic, 3 Coins: Egypt, Monkey Magic and others, which is fully described in the "Bonuses" section on the Organizer's SuperGra Portal/Mobile Application, concerning the FS offered for activation.

3.9. The Player who won 1 prize place in the Promotion is automatically informed in the personal account (Client Account) about receiving the right to choose a Bonus of various types and denominations (with the condition of Winning with no Wager) and/or the right to exchange the Bonus for a goods prize.

3.10. The Player no later than 7 days from the date of receipt of the notification specified in clause 3.9. of these Rules, has the right on the Organizer's SuperGra Portal/Mobile Application in the personal account of the Player's account (Client Account) to choose to receive the Bonus in the form of electronic money substitutes to the Bonus Account (with the condition of Winning with no Wager) or to exchange the Bonus for a goods prize (at a cost determined by the Organizer), followed by independent registration by the Player through the Organizer's SuperGra Portal/Mobile Application of an electronic application to the Organizer with detailed information from the Player for the provision (transfer) of a goods prize by the Organizer.

3.11. If the Player has not used the right in a timely manner and performed the action provided for

in clause 3.10 of these Rules, the Organizer cancels the result of the Draw for the Player, and the Player no longer has the right to claim and/or demand from the Organizer the right to the Bonus and/or goods prize for this Promotion.

3.12. The Organizer guarantees objectivity in determining 150 Players receiving Bonuses under the terms of the Promotion, as well as the Player (winner) acquiring the right to receive the Bonus and/or the right to exchange the Bonus for a goods prize in this Promotion. The Organizer's decision is final and not subject to appeal. The method of presenting a goods prize is chosen by the Player among the possible options when making an electronic application following clause 3.10 of these Rules. Further communication between the Player and the Organizer can be carried out by email, by phone, or in any other way not prohibited by the Applicable laws of Ukraine.

3.13. Any FS received as winnings, bonuses, prizes in any promotions of the Organizer, as well as winnings, bonuses, prizes after applying the specified FS in Gambling are not taken into account to increase the Winning Rate and/or prize place in the Promotion.

3.14. Taxation of individuals who have received the Bonus is carried out in accordance with the Applicable laws of Ukraine at the time of payment of winnings by the Organizer. The payment means the financial operation of transferring funds to the Player's bank account from which the funds were deposited into the Player's Client Account. This means that the earnings specified in this clause are subject to final taxation upon payout by the individuals receiving the Bonus.

3.15. The Organizer of the Promotion is not responsible for the future use of the Bonus and for the inability to use it for any reason.

3.16. According to paragraph 164.2 of Article 164 of the Tax Code of Ukraine, if the taxpayer — the Player (Participant of the Promotion) — receives income in the form of winnings (prizes) in the lottery or other draws, in a bookmaker's bet, in a totalizator, prizes and winnings in cash obtained for winning and/or participating in amateur sports competitions, including billiards sports, are included in the taxpayer's total monthly (annual) taxable income and are subject to taxation by the tax agent upon its payment. Personal income tax at the rate of 18% and a military fee of 1,5% is imposed on the total amount of such winnings (prizes).

3.17. By participating in the Promotion, the Player, who, according to the results of the Promotion, has occupied the 1st prize place and received the right to choose a goods prize, used it and subsequently independently submitted an electronic application to the Organizer through the Organizer's SuperGra Portal/Mobile Application with detailed information on the transfer (provision) of the goods prize, expresses and provides unconditional consent to the Organizer for sending the goods prize using postal services/delivery services/courier services of third parties (legal entities and/or individual entrepreneurs and/or individuals), as well as after the legal formalization by the Organizer with a third party regarding the delivery/receipt of the goods prize for the Player, the Player unequivocally and unconditionally confirms that such actions of the Organizer are considered the fact of transfer (provision) of the goods prize by the Organizer to the Player.
